

# Enhanced Patient Communication:

*Building Compassion, Communication and Trust*

Offered Remotely via *CPEP LIVE™*

The *Enhanced Patient Communication* seminar is designed to help clinicians refine and enhance their patient communication skills. The intensive 10-hour program allows participants to personalize the learning experience to address specific interests and "hot button" issues. Participants have multiple opportunities to practice new skills and receive individualized feedback.

Enrollment is limited to eight participants, allowing each clinician the opportunity to identify and work on individual goals. The seminar includes a behavior style profile, interactive discussions, a session on provider well-being and resilience, simulated patient exercises, and development of a personal Plan of Action identifying steps each participant can take to improve patient communication.

Each participant receives a post-seminar report with recommendations from the faculty. The report and the participant's Plan of Action can be released to a third party if requested by the participant.

Through this seminar, participants will:

- Understand how behavior style and personal history impact communication with patients
- Improve understanding and mastery of principles of effective clinician-patient communication
- Strengthen communication skills through practice with and feedback from simulated patients
- Enhance skills in managing challenging communication situations through identification of their own "hot button" issues, such as difficult patient encounters, communicating unanticipated adverse outcomes, saying no, navigating "the list," or motivating patients to change

**Schedule:** This seminar is offered remotely via *CPEP LIVE (Live, Interactive Video Education)*.

**Day 1:** 6:00 PM – 8:30 PM Mountain Time

**Day 2:** 8:00 AM – 5:00 Mountain Time

**Follow-up Program:** An *optional* program provides follow-up and accountability to support improved communication and behavior change. The program offers six one-hour coaching sessions with a faculty member.

**Who should attend?** The seminar is targeted at clinicians who wish to improve their skills in this critical area. It is also designed to fulfill licensing board or credentialing recommendations for education. Physicians, physician assistants, advanced practice nurses, podiatrists, dentists and other healthcare professionals are also invited to attend.

**Fees and CME:** The Seminar fee is \$1,750. The Follow-up Program has a separate enrollment and fee. This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of UHealth Southern Region and CPEP.

UHealth Southern Region is accredited by the Colorado Medical Society to provide continuing medical education for physicians.

UHealth Southern Region designates this live course for a maximum of 11.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
